ADVANCED GASTROENTEROLOGY COURSE
FOR INTERNAL MEDICINE SPECIALISTS

MOSCOW

September 11 – 13, 2015 Moscow
Dear Colleagues,

On behalf of Moscow Clinical Scientific Center, the Central Scientific Research Institute of Gastroenterology and Turkish Internal Medical Society;

We are pleased to invite you all to the Advanced Gastroenterology Course to be held in Moscow, September 11 – 13, 2015.

We will be delighted of being part of a wonderful program where we are going to have the opportunity to explore the Scientific Research Gastroenterology Institute, center of excellence in its field, as well as meeting remarkable experts gathered all for this fascinating event.

We look forward for your visit and trust that you will enjoy our meeting and benefit from numerous presentations and treatment procedures shared by respectable experts from all around Turkey and Russia.

With the hope of sharing a remarkable time together and forging our links of friendship with our colleagues, we kindly ask you to confirm your participation if you wish to be a joint member for this meeting.
